Relay Panels

Capiro Plus® IGBT  
Dimming Racks

## With Lightolier® Controls lighting solutions, your client will take lighting control for granted. But not the energy savings.

From simple wall mounted dimmers to complete facility control, Lightolier® Controls offers lighting control solutions to fit any need or application. With our state-of-the-art IGBT dimming technology, user-friendly controls, occupancy/daylight harvesting systems and dimmable fluorescent ballasts, Lightolier® Controls has all the tools needed to meet today's and tomorrow's energy initiatives.
